Unified Court System /
NYSID-qualified Vendor

Enclave Supported Employment

Providing vocational evaluation and job training for persons with disabilities in a supportive community based environment. This program is seen as a stepping stone, teaching necessary skills which enable participants to move on to competitive employment.

Current Enclave sites:

Chemung County Imaging
Seneca Beverage

Individual Job Placement

Southern Tier Employment Program (STEP)

This program assists individuals with disabilities in preparing, securing, and monitoring jobs in the community. STEP recruits, screens, trains, and refers individuals who

have a diverse background and abilities to employers. The current employers who have been pleased with this service are:

Sam's Club
Wendy's
McDonalds
Bethany Village

Old Country Buffet
ELP Day Care
State Line Beverage
and so many more...

Creating Opportunities For Successes

The Goal of Southern Tier Industries (STI)...

Is to provide individuals with developmental disabilities with a normalized vocational training and placement environment, which will maximize growth through positive work experiences.

STI staff develop individual work plans for each of the more than 240 adults we serve. We know from experience that individual growth and productivity can lead to employment in a least-restrictive environment, even for those with substantial employment challenges.
